7. DASHBOARD

The screenshot shows the 'My Application' dashboard. At the top left, the text 'My Application' is enclosed in a red rectangular box. In the center, a larger red box contains the text 'NO! NO! Don't do this! NO! NO!' in bold, black, uppercase letters. The dashboard itself features a navigation bar with 'Add Program' and 'Submit Application' buttons. Below the navigation bar, there is a 'My Application' header with a brief description. A 'Latest Notifications' section shows a welcome message from The California State University. The main area is divided into four sections: 'Personal Information' (83% Complete), 'Academic History' (83% Complete), 'Supporting Information' (60% Complete), and 'Program Materials' (83% Complete). Each section has a corresponding icon and a progress indicator.

8. Click **Personal Information** Box and complete this **FIRST**

The screenshot shows the 'Personal Information' section of the application. The title 'Personal Information' is displayed in a large font, with a green circular progress indicator showing '83 Sections Completed'. Below the title is a list of sub-sections, each with a checkmark indicating completion: 'Release Statement', 'Biographic Information', 'Contact Information', 'Citizenship/Residency Information', 'Race & Ethnicity', 'Parent/Guardian Information', 'Other Information', and 'Financial and Parental Information'. A red arrow points to the 'Other Information' section, which is also highlighted with a red rectangular box. To the right of the list, a white box with a black border contains the text 'Go through these carefully. Some are OPTIONAL.' in red and black text.

8a. OTHER Information Page: CA Promise—click on the **CA Promise** site link to read about the benefits of this program. Read each campus' specifications so you know what you are agreeing to by clicking yes. If you will have an Associate Degree Transfer IN THE MAJOR you want for the bachelor's degree, you can also do this.

10. Click the **Academic History** box on the **Dashboard**.

The screenshot shows the 'My Application' dashboard. At the top right, there is a box for 'Academic History' with '4 Sections Completed'. On the left sidebar, 'High Schools Attended' is the first and largest link. A red callout box with the text 'Start at the top with high schools attended' points to this link.

10a. High School Attended

The 'High Schools Attended' section features a progress indicator showing '0/9 Sections Completed'. Below this is a sidebar with navigation links: High Schools Attended, High School Coursework, Colleges Attended, Transcript Entry, A-G Matching, Standardized Tests, AP (Advanced Placement), CLEP (College Level Examination Program), and IB (International Baccalaureate). The main content area is titled 'Add a High School' and includes a sub-header 'Home School'. A red callout box points to the 'CEEB Code' field in the search dropdown, with the text 'Use the CEEB Code to find AOC'. The form fields are: Country (United States), State, city, zip code, or CEEB code (053262), Dates Attended (Start Date to End Date), and Term Type (Select Term Type). The search dropdown shows a list of schools, with '053262 Academy Of The Canyons' highlighted.

My Application Add Program

High School Coursework

1/5 Sections Completed

Review the instructions below very carefully. Failure to follow instructions will delay your admission decision and can ultimately impact your admission decision.

Report all courses that will be used to satisfy the A-G subject requirements. Do not include non-college preparatory courses such as Health or Physical Education.

California high school students: the course title appears once you enter the first few letters of the title. If courses do not appear, return to the High Schools Attended section and confirm that your high school was selected from the available options. Manually entering a California high school or high school courses is highly discouraged and will delay the processing of your application.

Visit the [Applicant Help Center](#) for more information.

If you completed college courses while in high school, report those courses in the Transcript Entry section.

Once you submit your application, you cannot edit previously entered coursework, but you can add new coursework.

Add a Grade Level | Add a Summer Grade Level

Grade Level (Semester) ACADEMY OF THE CANYONS 2016-2017

Enter college courses AFTER high school courses!

11a. 7th and 8th grade A-G courses are usually Algebra I, high school level foreign language like Spanish 1A and 1B, and Geometry (maybe). For these courses, select the correct grade level, high school you attended in ninth grade, and 2016-2017 (ninth grade year).

High School Coursework

1/5 Sections Completed

You must enter high school coursework to verify completion of A-G subject requirements and to allow for an accurate GPA calculation. Enter only approved college-preparatory coursework that is used to fulfill A-G subject requirements.

A-G requirements are a sequence of high school courses that represent the basic level of academic preparation for post-secondary education. Each subject requires a certain number of years of study and a passing grade of C or better. (Any courses that your report for which you have received a D or an F grade will not be included in your Total Years calculation. These courses will still be included in your calculated GPA.)

California high school students may view the college preparatory courses offered at their high school by visiting the [University of California Course Management Portal](#).

NOTE: College courses taken concurrently while in High School must be reported on the Transcript Entry Screen for each college attended. Be sure to visit the A-G Matching screen after completing the Transcript Entry page to ensure an accurate GPA calculation and subject area counts.

Click [here](#) to review a coursework entry guide that provides additional information on entering high school coursework.

11d. For each year, add the A-G courses you took in high school. If you repeated an A-G course in summer school, click on the Add Summer Courses next to the Add Grade Level box. Summer classes go in the grade level **FOLLOWING WHEN YOU TOOK** the class. Summer after 9th goes in 10th GRADE.

11e. USE YOUR TRANSCRIPT COURSE TITLES. Some of the titles that will appear as you type don't match your transcript. Don't select those courses. It IS correct to add A/B to the end of the course title if the course is for the year. It may show up on your transcript as 2 semester courses but you can put them together since you can add each semester grade.

11f. For each course, you will have to SELECT COURSE TYPE UNLESS it automatically defaults to HONORS. If it defaults to Honors, leave it. This happens for English, social studies, and chemistry. **Algebra II/Trigonometry A/B (H) is NOT honors for A-G so do NOT make it honors.**

11g. For Geometry after 9th or 10th grade, you have to enter the course name and add summer 1 and summer 2 if you got 2 grades:

Report all courses on your transcripts, including withdrawn, repeated, ungraded, and non-graded courses. 2. Use official copies of transcripts, listing courses with correct term, year, class level, and department prefixes. 3. Enter courses under the institution where originally taken, exactly as they appear on the original transcript. Below this, it explains GPA calculation and provides instructions for First-time Freshman Applicants, Lower-division/Upper-division/Associate Degree for Transfer Applicants, and Returning Applicants. At the bottom, it says 'Review the Transcript Entry Guide and Applicant Help Center for more information...' and 'Once you submit your application, you cannot edit previously entered coursework, but you can add new coursework.' A red box highlights the 'Edit' button and the 'Preview this Transcript' link at the bottom of the page.

A-G Matching starts on the next page.

14. Now you have to MATCH your coursework to A-G. Most of your AOC courses should be in the correct categories—but check them. You will have to do the COC courses. Use the Academic History Spreadsheet 2020 and click on the CSU APP tab at the bottom.

A-G Matching

Review the instructions below very carefully. Failure to follow instructions will delay your admission decision and can ultimately impact your admission decision.

Click **Update A-G courses** to ensure that all courses have an A-G subject area attached. Courses without an A-G subject area will not be counted in your GPA, nor will be counted towards fulfilling minimum admission requirements. Any course in which you earned a D or F is not factored into the calculated total years but is factored into your calculated GPA.

Note that as a first-time freshman applicant, you must complete all A-G requirements by your high school graduation date.

Visit the [Applicant Help Center](#) for more information and the [Freshman Coursework Entry Guide](#) for details on courses that can be used to fulfill A-G Subject requirements.

Once you submit your application, you cannot edit this section.

15. Complete the rest of this section. Most of you will answer NO for AP, CLEP, and IB. If you have AP scores, follow the instructions to report them.

Standardized Tests

You can self-report your standardized test scores or report tests you plan to take in this section. Some of the programs you apply to may require you to report certain test scores; be sure to check with your programs to ensure you're completing all requirements. Visit the [Applicant Help Center](#) for more information.

- **Freshman Applicants:** report your SAT and ACT results, with the associated College Board or ACT ID number. If you have not yet taken the exam, you can simply add the date that you will complete the exam. You must report the associated ID number and request official results from College Board or ACT for the scores to be sent to all your CSU campuses.
- **Transfer Applicants:** if you have completed less than 60 transferrable units, report your SAT and ACT results. If you do not plan to take the exams, click **I Am Not Adding Any Standardized Tests**.
- **Graduate Applicants:** report your GMAT and GRE results or the date you plan to take the tests. If you do not plan to take the exams, click **I Am Not Adding Any Standardized Tests**.
- **International Applicants:** report your IELTS and PTE results or the date you plan to take the tests. If you do not plan to take the exams, click **I Am Not Adding Any Standardized Tests**.

Once you submit your application, you cannot edit previously entered tests, but you can add new tests.

Note that self-reporting your scores isn't the same as providing official scores to your programs. If your programs require official test scores, see [Sending Official Test Scores](#) for more information.

ACT-- ACT: Scores sent to one campus are available to all campuses so only request 1 report! You have to get the campus code. Click on the [Sending Official Test Scores](#) link to get the campus code.

SAT: SAT: Request your scores be sent to code 3594, the CSU system-wide code. Your report will be available to EVERY campus you apply to!

16. Supporting Information Quadrant is all about EOP. You have to read this section carefully, see if you are eligible, decide if you want to apply, and then follow the instructions.

1. Educational Opportunity Program (EOP)

The primary goal of the CSU Educational Opportunity Program is to improve access of low-income, first generation and historically disadvantaged students from California with potential for academic success by making higher education a possibility.

Visit the [EOP Admissions site](#) to learn more about EOP, eligibility criteria, and to view EOP application deadlines.

Select **Yes** to apply to EOP. Your EOP application is not considered complete until you have completed the three EOP sections as well as provide two recommenders.

Visit the [Applicant Help Center](#) for more information.

You can edit this section after you submit your application.

16a. EOP Recommendations: two Recommendations are required. You provide the recommender's information. Use the recommender's professional email (@hartdistrict.org for AOC recommenders). **If your recommender is not an AOC teacher, provide your recommender with a resume and the responses to the Letters of Recommendation Questionnaire in Naviance.**

17. SUBMIT APPLICATION AREA: Track your progress and submit when READY!!

The screenshot displays a web interface for submitting applications. At the top, there are three tabs: "Add Program", "Submit Application", and "Check Status". Below the tabs, a message reads: "Review your program selections here, check on status of individual program tasks, and pay for your program selections." A warning below that states: "Once your application is submitted, no changes or refunds can be made."

Summary statistics at the top left show "APPLICATIONS READY FOR SUBMISSION" as 0 and "TOTAL FEE(S)" as \$210. A "Submit All" button is located to the right of these statistics.

The main content area is a table of application progress, sorted by "Deadline". It lists three programs, each with a progress bar and a "Submit" button:

Program	Term	Deadline	Progress	Action
Cal Poly Undergraduate Biomedical Engineering Alameda Program: Civil Engineering	Term: Fall	Deadline 11/30/2018	~25% complete	Submit
Northridge Undergraduate Electrical Engineering	Term: Fall	Deadline 11/30/2018	~75% complete	Submit
San Diego Undergraduate Civil Engineering	Term: Fall	Deadline 11/30/2018	~80% complete	Submit
