

Common App Screen Shots 2020

1. In My Colleges: Complete the FERPA Release first. You can't do anything with recommenders until you do.

2. In the CommonApp Section: Education: Colleges & Universities

The screenshot shows the 'Colleges & Universities' section of the Common App. The form asks: 'If you have ever taken coursework at a college or university, please indicate the number of colleges.*' A dropdown menu shows the number '1'. Below this, the details for 'College 1*' are listed: 'College of the Canyons', '26455 Rockwell Canyon Rd', 'Valencia, CA 91355-1899', 'USA', '2-year or community college', and 'CEEB Code : 4117'. There are 'Change' and 'Remove' buttons. Under 'Course details', there are three checkboxes: 'Dual enrollment with high school' (checked), 'Summer program' (unchecked), and 'Credit awarded directly by college' (checked). Below this, there are two date fields: 'College 1 from date*' with 'August 2016' and 'College 1 to date*' with 'June 2020'. A note below the dates says 'Date should be entered in the Month Year format.' At the bottom, there is a 'Degree earned' dropdown menu with 'AA' selected. A 'Continue' button is at the bottom right.

Only put degree earned if you will get a degree at the end of spring or summer term.
